"WEARable HAPtics for Humans and Robots" WEARHAP

The 4th Pre-Review meeting, 8 November, 2017

Munich, 8 November, 2017

Technical University Munich
Chair of Information-oriented Control
Barer Str. 21
80333 Munich

PRE-REVIEW MEETING AGENDA – Day 1 of 1

Wednesday 8th November

- | | | |
|--------------|--------------|----------------------------------------------------------------------------------------------------------------------------|
| 9:00 | 9:10 | Welcome, S. Hirche (TUM) and D. Prattichizzo (UNISI) (<u>1st Floor, Room Nr. S1533</u>) |
| 9:10 | 10:00 | Introduction and Overview of the Review Period – Coordinator |
| 10:00 | 10:30 | Presentation of WP6 scenarios (Leader UNISI, TUM and IIT) |
| 10:30 | 10:40 | <u>Discussion</u> |
| 10:40 | 11:00 | Coffee Break + Poster Session |
| 11:00 | 11:30 | Presentation of WP7 scenarios (Leader UNIPi and URJC) |
| 11:30 | 11:40 | <u>Discussion</u> |
| 11:40 | 13:00 | Demos presentation (<u>Building N8, Theresienstr. 90, 80333, 1st Underground Floor, Room Nr. N-1815</u>) |
| 13:00 | 14:00 | Lunch |
| 14:00 | 14:30 | Results of WP1 “Neuroscience and physiology: foundations for wearable haptic systems” (Leader UNIBI) |
| 14:30 | 14:40 | <u>Discussion</u> |
| 14:40 | 15:10 | Results of WP2 “Computational models of human touch” (Leader URJC) |
| 15:10 | 15:20 | <u>Discussion</u> |
| 15:20 | 15:50 | Results of WP3 “Multisensory tracking and sensing” (Leader FORTH) |
| 15:50 | 16:00 | <u>Discussion</u> |

16:00 16:30 Results of WP4 “Wearable and distributed multi-DoF haptic systems” (Leader SSSA)

16:30 16:40 Discussion

16:40 17:00 Coffee break + Poster Session

17:00 17:30 Results of WP5 “Cognitive control of wearable haptic systems” (Leader UNISI)

17:30 17:40 Discussion

17:40 18:20 Results of WP8 “Dissemination and Exploitation” and WP9 “Management”
(Leader UNISI)

18:20 18:30 Discussion

18:30 18:45 Closing Discussion and future perspectives

20:00 Dinner ([Steinheil @ Steinheilstraße 16, 80333 München](#))
